

# Christmas Party 2004

School's Christmas Party was held in the Gym Hall on 12th  
December 2004. Different with the past it was entirely planned  
and organised by the students of the Advanced Class  
themselves this year. Just shortly passed half passed one,  
Howhong Chan, Elaine, Lorraine Wong, Jiaou Song & Chen  
Feng all arrived at the school. They were busy with setting up.  
More than 30 families came to the party. Children and parents  
played Music Chairs, Music Statues games and balloon  
volleyball match (children vs parents). Winners and all children  
received prizes. Young children were happily jumping on a  
bouncing castle. Parents brought lots of food to the party.  
People were chatting and laughing very relaxed. In another  
quiet room, adults students had a special lesson. David  
Peppert brought a traditional Chinese Set. They learn how to  
make Chinese tea and practise the Chinese they learn so far.
