Four students from the Advance Class, Alison, Dillon, Jiajia & Lele got A* in GCSE in Chinese.

Alison Wong got one of the top 10 grades in the country (She chose the simplified character and Mandarin instead of Cantonese, her mother-tongue!).

The first non-native speaker candidate, Matthew Bradley, from Durham Johnston got a grade A!

Fantastic! Well done.

Thank for Dr Xiuping Li and Wendy, all students for all your hard work.
